For Business Customers, additional charges may apply for services such as: ACH Origination, EFTPS, Wire Transfers, Nacha File Imports, or Repurchase Agreement Tracking. These fees may vary and are subject to separate agreements.

There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Billing Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts will continue to apply.

You are responsible for any and all fees assessed by your Internet service provider, telephone or mobile device carrier. Any applicable fees will be charged regardless of whether the Internet Banking Service was used during the billing cycle.

10. Enrollment Process

You must complete the enrollment process to use the Service.

The Internet Banking auto enrollment process involves input from the account holder to verify their ownership of the account. Once enrolled, you will have access to Online Banking with designated eligible accounts. If you want to limit the accounts linked or the privileges assigned to an account, please contact us at 859-236-2926 or send a secure email message through the Service.

11. Linked Accounts

When you enroll for the Basic Internet Banking Service we will link all of your designated Eligible Accounts to one Access ID

With the exception of sole proprietors, Business Customers generally may not link personal Consumer accounts to the Service. Farmers National Bank reserves the right to restrict the linking of any business and personal consumer accounts under a single Access ID.

If the Eligible Accounts added to the Service are jointly held or have multiple signers you agree that access to the information and all transactions initiated by the use of your Access ID and Passcode are authorized unless we have been notified to cancel the Service.

If joint account holders use individual Access IDs, the Service may be identified separately and you may be charged for the use of additional Access IDs. In some cases, if your account(s) require two signatures for withdrawal, we may only grant view privileges to your Eligible Accounts through the Service.

12. Signature Requirements

When any online transfer, ACH, wire transfer request or other Payment Instruction is initiated through the Internet Banking Service for your benefit, you agree that we may debit the designated Eligible Accounts without requiring your signature on the item and without any notice to you.

Requirements for dual signatures on checks, if applicable, do NOT apply to Bill Payments or other transfers initiated through the Internet Banking Service. If your account(s) require two signatures for withdrawal, we may only grant view privileges to your Eligible Accounts through the Internet Banking Service

Authorized Users of Business Customers that may be assigned payment or transactional capabilities through the Internet Banking Service should be authorized by the Business Customer to make or approve electronic transfers, even though that person's authority to make transfers by other means may still require dual signatures.

If Authorized Users are not authorized persons on the signature card for each Linked Account, the Business Customer account owner(s) has the obligation to inform Institution of the new individual or individuals with such authority. Such notice must be given to us by calling us at 859-236-2926. You may also write us at:

Farmers National Bank
Attn: Customer Contact Center
PO Box 28
Danville, KY 40423-0028

13. Account Balances

Balances shown in your accounts may include deposits subject to verification by us. The balance reflected in the Service may differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request must be made before the Business Day Cut-off time to be effective the same Business Day.

The balances within the Service are updated periodically and the Service will display the most current "as of" date on the "accounts" summary page. There may be situations that cause a delay in an update of your balances. The Service will use the most current balance available at the time of a transaction to base our approval for account transfers.

14. Canceling or Changing Transfers

You cannot cancel a transfer after it has been entered into the system AND the information has been processed and/or transmitted to us through the Service; however, you can edit or change a transfer that is still pending.

In order to cancel or change a pending transfer, use the following procedures:

1. Log in and make edits to the appropriate transaction.
2. Edits must be made before 5:00PM Eastern Standard / Eastern Daylight Time for transfers scheduled to be processed the same Business Day
3. You may edit a pre-scheduled (future dated/automatic) transfer anytime before 5:00 PM Eastern Standard / Eastern Daylight Time on the Business Day before the scheduled transfer date.
4. For transfers, you can change the transfer amount to \$0.00, or
5. If you accidentally transfer funds, you can schedule another transfer to move funds to back to the original account.

If you need to edit a pending or approved transaction after-cut-off time, please contact us immediately; although in these situations, we may not have sufficient time to stop the transfer from further processing.

Separate agreements with Business Customers will detail the required time-frames for submitting and making changes to ACH transactions.

15. Canceling or Changing Wire Transfer Requests

Business Customers may be authorized for online wire transfer services. In these situations, separate agreements will detail wire transfer limits and the required time-frames for submitting and making changes to these types of transaction requests.

If you have been approved for wire transfers, you may edit or delete these types of transactions prior to approving the transactions. You may only edit or cancel a pending wire request or ACH batch transaction prior to the scheduled payment or settlement date.

When a wire transfer request is approved for the current date, it is transmitted to us immediately for processing. If a change is necessary, you must contact us **immediately**; in these situations, we may not have sufficient time to stop transaction from further processing.

16. Transaction Limitations

You may use the Service to check the balance of your Eligible Account (s) and to transfer funds among your Eligible Accounts at this Financial Institution. You must have sufficient funds in your account to cover the amount of any online transfers and Bill Payments on the scheduled payment date set for the transaction, or the transaction may not be processed. NSF and/or overdraft charges may be incurred if Bill Payments exceed your account balance.

Current federal regulations restrict the number of transactions that you can make from certain types of accounts, such as Money Market and Savings Accounts. For these types of accounts, you may not make more than six (6) pre-authorized (automatic) electronic funds transfers (EFTs), during a given monthly statement period. Online account transfers and bill payments are counted toward the six permitted monthly transfers. Please refer to your original account agreement for excessive activity fees that may apply. Federal regulations currently place no limits on the number of transfers or Bill Payments from your Checking accounts, therefore this financial institution currently limits the Bill Payment Service to only Checking accounts.

17. Privacy

We understand how important privacy is to our customers. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our [privacy notice located on www.fnbky.com](http://www.fnbky.com) before completing the enrollment process for the Service.

(A) Disclosure of Account Information to Third Parties

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make ONLY in the following situations:

- Where it is necessary for completing transactions;
- Where it is necessary for activating additional services;
- In order to verify the existence and condition of your account to a third party, such as a credit bureau or Biller;
- In order to comply with a governmental agency or court orders; or
- If you give us your written permission.

Please refer to our [privacy notice](#) for additional detail on disclosure of account information.

18. Internet Security

The Internet Banking Service utilizes a comprehensive security strategy to protect your accounts and transactions conducted over the Internet. Prior to activating your access to the Internet Banking Service, we will verify your identity and authorization against information associated with the Eligible Account (s) that you request to be linked to the Internet Banking Service.

Access IDs and Passcodes - One of the main security features protecting the Internet Banking Service is the unique combination of your Access ID and Passcode. During the enrollment process, you will be asked to select a unique Access ID and Passcode. For security purposes, do not use your account number or social security number as your Access ID. Encryption and access controls are used to protect your Passcode within our database. If you need to reset your Passcode, you may use our online automated Passcode reset feature or you may contact this Institution for assistance.

Because your Passcode is used to access your accounts, you should treat it as you would any other sensitive personal data.

- You should carefully select a Passcode that is difficult to guess.
- You should **NOT** use words based on your name, address or other personal information.
- Passcodes should not be shared with anyone, even Authorized Users.
- Do **NOT** use dictionary words.
- Keep your Passcode safe.
- Memorize your Passcode and do **NOT** write it down.
- You will be prompted to change your password every six (6) months

When you enroll for the Internet Banking Service you agree to change your Passcode immediately if you suspect that your Passcode has been compromised. This can be done at any time from the User Services menu after you log on to the Internet Banking Service.

NEITHER THIS INSTITUTION NOR ITS SERVICE PROVIDERS WILL CONTACT YOU BY TELEPHONE, EMAIL OR TEXT MESSAGING REQUESTING PERSONAL INFORMATION, SUCH AS YOUR ACCESS ID, PASSCODE, CREDIT CARD NUMBER, ATM CARD NUMBER OR ATM PIN. IF YOU ARE CONTACTED BY ANYONE REQUESTING THIS TYPE OF INFORMATION, DO NOT PROVIDE ANY INFORMATION AND CONTACT OUR CUSTOMER SERVICE DEPARTMENT IMMEDIATELY.

Encryption - The Internet Banking Service uses the Secure Socket Layer (SSL) encryption technology for everything you do while using Internet banking. Your browser automatically activates this technology when it attempts to connect to our Internet Banking Service. The Internet Banking Service requires a browser that supports 128-bit encryption and we will warn you if your browser does not meet this requirement.

Whenever SSL is securing your communications, the browser will typically indicate this *secure session* with the appearance of a small icon of a locked padlock. What this means to you is that your communications are scrambled from your browser to our servers at all times to minimize the risk of any unauthorized party reading the information as it is carried over the Internet.

Certificate Authority - The servers hosting the Internet Banking Service have been certified by a certificate authority to help assure you that you are actually talking to the Internet Banking Service instead of someone pretending to be us. By clicking on the lock within the Internet Banking Service, you can view the certificate to ensure it's valid.

Cookies - During your use of the Internet Banking Service, our Internet banking Service Provider will pass an encrypted *session cookie* to your computer that enables us to process multiple transactions during the session without having to provide an Access ID and Passcode for each individual transaction. You must accept this cookie to use the Internet Banking Service. The *session cookie* is stored on your computer's hard-drive, identifying your computer while you are logged on. The *session cookie* does not contain any personal information. When you log off, close your browser, or turn off your machine, the *session cookie* will be destroyed. A new cookie is used for each session; thus, no one can use the prior cookie to access your account. Our Service Provider also uses persistent or permanent cookies to identify this Institution and your computer as part of our enhanced security. The permanent cookies will remain on your computer's hard drive until you clear cookies with your browser. If you do not accept these cookies, you may not be able to use all the features of the Internet Banking Service.

Multi-Level Authentication - We use multi-level authentication (or enhanced security) to help prevent unauthorized access to your accounts. As part of our enhanced security solution we may ask you to select challenge questions which may be used to help verify your identity in the event unusual login or transaction activity is detected. We may also send you a One Time PIN (OTP) which can be used to help authenticate your login or transaction requests.

19. Your Security Obligations

YOU ARE SOLELY RESPONSIBLE FOR THE MAINTENANCE, INSTALLATIONS, AND OPERATION OF YOUR COMPUTER INCLUDING BUT NOT LIMITED TO THE USE OF UPDATED ANTI-VIRUS PROTECTION.

NEITHER THIS FINANCIAL INSTITUTION NOR ITS SERVICE PROVIDERS SHALL BE RESPONSIBLE FOR ANY DELAYS, ERRORS, DELETIONS, FAILURES, OR DISCLOSURE OF PERSONAL OR BUSINESS ACCOUNT INFORMATION THAT MAY OCCUR AS A RESULT OF ANY VIRUS, TROJAN, SHARED PASSWORD, OR MALFUNCTION OF YOUR COMPUTER OR SOFTWARE OR YOUR FAILURE TO ADEQUATELY MAINTAIN AND SECURE YOUR COMPUTER AND SOFTWARE.

- All Authorized Users should sign-off and close their browser after every session. While online sessions will automatically end after a period of inactivity, logging off can help protect you in case you accidentally leave your computer unattended.
- Refrain from using public computers (e.g. computers in a library, Internet cafe or hotel business center) to access your online banking accounts. The security of public or shared computers cannot be assured.
- Always keep your computer's operating system and browser fully patched for critical security issues. We recommend use of the most current, fully patched, versions of Internet browsers for accessing the Internet Banking Service.
- Always keep your anti-virus and anti-spyware software current and routinely scan your computer, servers, and electronic media using reliable virus detection and anti-spyware products. Undetected or un-repaired viruses or malicious software (malware) may affect the performance of your computer, corrupt and destroy your programs, files, and even your hardware. Furthermore, undetected or un-repaired viruses or malware may affect the security of online accounts and the privacy of personal information stored on your computer. If your computer is compromised by some form of malware, virus, or Trojan, you could unintentionally transmit sensitive account information or personal data to another third party or transmit a virus to other computers.
- Always use a firewall product (hardware and/or software), especially if you have a broadband Internet connection such as DSL or cable modem.
- If you use a wireless Internet connection to access your online accounts, make sure that the wireless network is encrypted.

Occasionally we may post important security notices on our website and/or send online banking users security related notices or reminders; it is your responsibility to read all security notices.

20. Protecting Your Passcode

When you or your Authorized Users accept the terms and conditions of this Agreement, you agree not to give or make available your Passcode or other means to access your account to any unauthorized individual (s). You are responsible for all transactions authorized or requested through the Internet Banking Service using a valid Access ID and Passcode, including those situations when your Access ID and Passcode are obtained due to compromise to your computer. If you permit other persons to use the Internet Banking Service with your Passcode, or other means to access your account, you are responsible for any transactions they authorize.

If you believe that your Passcode or other means to access your account has been lost or stolen or that someone may attempt to use the Internet Banking Service without your consent or has transferred money without your permission, you must notify us at once by calling 859-236-2926 during customer service hours. You can also contact us by sending a secure message through the Internet Banking Service.

IF YOU OR YOUR AUTHORIZED USERS DISCLOSE YOUR PASSCODE TO ANYONE, AND/OR IF YOU ALLOW SOMEONE TO USE YOUR PASSCODE TO ACCESS YOUR ACCOUNTS, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OF THE INTERNET BANKING SERVICE BY THEM (E.G., SUCH AS WHEN YOU PROVIDE THIS INFORMATION TO A JOINT ACCOUNT HOLDER, AN EMPLOYEE, AN AGGREGATION SERVICE PROVIDER, OR WHEN YOUR PERSONAL COMPUTER IS COMPROMISED BY A KEY STROKE LOGGING VIRUS OR ANY OTHER TYPE OF MALWARE).

You agree that we may send notices and other communications, including Passcode change confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual.

21. Provisions Applicable Only to Consumer Deposit Accounts

(A) Errors and Questions

In case of errors or questions about your electronic transactions, you should notify us as soon as possible through one of the following methods:

- Telephone us at 859-236-2926 during customer service hours;
- Contact us by using the secure messaging feature within the Service; or
- Write to us at Farmers National Bank, Attn: Customer Contact Center, 304 W. Main Street, Danville, KY 40422

If you think your statement is incorrect or you need more information about an electronic transfer or Bill Payment transaction listed on the statement, we must hear from you no later than sixty (60) days after the FIRST statement was sent to you on which the problem or error appears. You must:

1. Tell us your name, relevant Service account number(s), and Access ID;
2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and,
3. Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send your complaint in writing within ten (10) Business Days after your verbal notification. We will tell you the results of our investigation within ten (10) Business Days after we hear from you, and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your account.

For errors regarding electronic transactions on new consumer accounts, we may take up to 90 days to investigate your complaint or question. We may take up to 20 Business Days to credit a new account for the amount you think is in error.

If it is determined there was no error, we will mail you a written explanation within three (3) Business Days after completion of our investigation. You may ask for copies of documents used in our investigation. We may revoke any provisional credit provided to you if we find an error did not occur.

(B) Consumer Liability for Unauthorized Transfers

Tell us **AT ONCE** if you believe your Access ID or Passcode has been lost or stolen. Telephoning is the best way of minimizing your possible losses. You could lose all the money in your account (plus your maximum overdraft line of credit if applicable).

If customers who are Consumers tell us within two (2) Business Days after you discover your Passcode, Access ID used or other means to access your account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your Passcode, Access ID or other means to access your account if you had told us, you could be liable for as much as \$500.00.

If your monthly account statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.

22. Provisions Applicable Only to Business Accounts

A. Protecting Your Account(s)

The Service will allow Business Customers to establish individual Access IDs, Passcodes and privileges for each Authorized User. Transaction history is maintained for each Access ID. Additional fees may be assessed for each Access ID or Employee that is established.

BUSINESS CUSTOMER(S) WILL BE SOLELY RESPONSIBLE FOR DESIGNATING AUTHORIZED USERS AND ASSIGNING PRIVILEGES WITHIN THE SERVICE.

As a security measure, Business Customers should evaluate and implement the dual control features within the Service for ACH Origination and wire transfers.

B. Senior Administration

Senior Administration is an optional service for Business Customers that may be activated at any time after your initial enrollment. The Business Customer shall be solely responsible for designating both the Employee and Senior Administrator.

A Senior Administrator may further authorize other individual Employees who may be granted full or limited online access to the Eligible Accounts, and may also be granted full or limited access to originate ACH transactions and/or wire transfers. Dual control should be established to help regulate the actions of multiple Employees.

For security and auditing purposes, each Employee should be assigned separate Access IDs and Passcodes. All cash management activity is tracked at the Customer level and is viewable by both the Employee originator and Customer in the online history. Internal transfers are tracked for each Access ID.

A Senior Administrator inherits the privileges assigned to the Customer. Notwithstanding the foregoing, please note that a Senior Administrator has the ability to remove, change or otherwise alter the restrictions or limits placed upon their rights by the Customer.

The Customer or Senior Administrator will need to provide the Access ID and temporary Passcode to each new Employee. The temporary Passcode will be used to gain access to the Internet Banking Service initially. After the Employee's initial log on, they will be prompted to set up their own unique Passcode, known only to them, for future use of the Internet Banking Service.

Business Customer understands that there may be a charge for multiple Employees. You agree to pay all such charges and authorize us to deduct such charges from your business account and any additional charges that may be incurred by you. Any fees associated with your standard business deposit account(s), as described in our fee schedule will continue to apply.

C. ACH Origination

Authorized Users of Business Customers who have been approved for ACH Origination privileges may edit, delete, or un-approve ACH transactions prior to the scheduled date for the transaction. Separate agreements will detail the required time-frames for submitting and making changes to ACH transactions.

If ACH batch transactions have been approved and submitted to us for processing, you must contact us immediately if any changes are necessary after the designated cut-off time. In these situations, we may not have sufficient time to stop the transactions from processing before the scheduled payment date.

D. Business Customer Liability

BUSINESS CUSTOMER REPRESENTS AND WARRANTS THAT ITS AUTHORIZED USERS AND SUB-USERS HAVE THE APPROPRIATE AUTHORITY TO INITIATE TRANSACTIONS THROUGH THE INTERNET BANKING SERVICE. BUSINESS CUSTOMER ALSO REPRESENTS AND WARRANTS THAT IT MAINTAINS OR REQUIRES CURRENT AND UPDATED ANTI-VIRUS SOFTWARE ON ALL COMPUTERS USED TO ACCESS THE INTERNET BANKING SERVICE BY IT OR ON ITS BEHALF.

BUSINESS CUSTOMER AUTHORIZES THIS FINANCIAL INSTITUTION AND ITS SERVICE PROVIDERS TO ACT UPON, AND AGREES TO BE BOUND BY, ANY TRANSACTION, WHETHER OR NOT AUTHORIZED, THAT IS INITIATED WITH AN ACCESS ID AND PASSCODE OF ANY AUTHORIZED USER(S).

FURTHERMORE, ANY INSTRUCTIONS, DIRECTIONS, OR OTHER INFORMATION PROVIDED BY THE BUSINESS CUSTOMER, OR ANY OF ITS AUTHORIZED USERS, WILL BE DEEMED TO HAVE BEEN AUTHORIZED BY THE BUSINESS CUSTOMER. THIS FINANCIAL INSTITUTION AND ITS SERVICE PROVIDERS WILL NOT BE RESPONSIBLE FOR VERIFYING THE IDENTITY OR AUTHENTICITY OF ANY PERSON CLAIMING TO BE AN AUTHORIZED USER OF THE BUSINESS CUSTOMER.

BUSINESS CUSTOMER ASSUMES ANY AND ALL LIABILITY ARISING FROM THE USE OR MISUSE OF THE INTERNET BANKING SERVICE OR ELIGIBLE ACCOUNTS BY ITS AUTHORIZED USERS OR AS A RESULT OF A COMPROMISED COMPUTER DUE TO A BREACH OF ANY OF THE FOREGOING WARRANTIES. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.

Additional Alerts must be activated by you to be enabled. These Additional Alerts can be accessed from the {name of Alert menu} menu within Farmers National Bank Online Banking and {name of Alert menu} menu within Farmers National Bank Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold Farmers National Bank, its directors, officers, employees, agents, and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number.
